January 2016 News

A Message from Administration

Dear parents/guardians,

Happy New Year! We hope you had a safe and fun winter vacation. It has been nice to hear all of the fun activities our students participated in over the break.

Parents, please remember that it is cold outside. Ensure your child is wearing the appropriate attire to keep warm. Keep in mind that when in the building, any outer wear garment must be in school colors or it must be taken off per CCSD dress code and SSA requirements.

In the next few months we will be preparing our students for the Smarter Balanced Assessment. This assessment is given to students in grades 3-5 and replaces the CRT. The Smarter Balanced is an assessment that is taken online. This is a new way of assessing our students. In order to ensure success, we encourage our students to go online and to take the practice tests. You can access the practice tests online at <http://sbac.portal.airast.org/practice-test/>

I urge all parents to take the Smarter Balanced Assessment so you can see what is expected of your child. We want to ensure our students have had many exposures to this format of testing. It is our hope that the more time they practice, the more comfortable they will be when it is time to test.

As always, we wish you a wonderful January!

Belinda Schauer, Principal

Constantine Christopulos, Assistant Principal

Important Information

Did you know that you can apply for free and reduced lunch? Visit www.applyforlunch.com to fill out an application.
