A Message from Administration

Dear parents/guardians,

We hope you all had a nice November! Put on those winter coats, as winter is fast approaching in Las Vegas. Families, as the weather changes please ensure that your students are dressed appropriately. Coats, jackets, and other sweaters must be taken off in the classroom unless they are uniform colors and guidelines (no logos).

During these months, continue to think about the things for which you are thankful. We are most thankful for our parents and guardians who exhibit good role model behaviors. As adults, we have a strong influence on the lives of children. Children learn by watching the actions of adults. When adults exhibit positive character traits, then children may start exhibiting these traits as well. Children love to imitate adults! Give them something great to imitate.

Please remember, winter break starts on December 24 and students return to school on January 7, 2019. Your child may want to keep a journal over break, where he/she can write down all of the fun events that take place. We also encourage your child to read every night. The only way to become a better reader is to practice all the time! I urge all of our Marion Earl families to make story time a part of your daily routine. The library is a great place to visit this winter break! Also, please visit our school website for online resources that will help your child practice academic skills.

Have a fun and safe December!
