## May and June News 2016

A Message from Administration

Dear Parents/Guardians,

It has been such an amazing year! The students, staff, and parents at Marion Earl ES continue to amaze us with their focus and drive towards continued excellence.

As we move towards the end of the school year, we want to encourage all students to continue to work and learn, not just through June 1, but throughout the summer as well. Please continue to read with your child on a daily basis. Encourage him/her to practice math facts and to write stories or keep a journal. Many of the computer programs provided by the school are available over the summer, so please continue to provide internet access, if available. Links to various educational websites are available on Marion Earl ES's homepage. We also encourage families to visit the public library!

As end-of-the-year approaches, please remember to register your child for the 2016-2017 school year via the Parent Portal on Infinite Campus.

In addition, to ensure the viewing abilities of all guests, we have made the promotion activities "balloon free" events. Balloons restrict others' ability to easily view the activities, reduces seating space and creates a fire hazard if they reach the ceiling and block the sensors. Thank you for respecting all of our students and their guests on these special days.

Report cards will be sent home on the last day of school. If your student will not be in attendance on June 1, please provide a self-addressed, stamped envelope to the front office so that we are able to mail your child's final report card. Reports cards will not be distributed to students with a balance due to the library or who have over due books.

Please have your child check the **LOST AND FOUND** areas for any forgotten coats, clothing, house keys, eye glasses, musical recorders, etc. The main office has almost twenty pair of eye glasses in the Lost and Found drawer! We also have house keys! In order to return these items, please be able to show proof of ownership. The lost clothing area is located in the cafeteria; all other items are kept in the main office. Items not claimed by last day of school will be donated to charity.

The front office of Marion Earl ES will have adjusted summer hours from June 6-30 and August 1-12. Hours will typically be 7:30 a.m.--12:00 p.m. However, there may be days of reduced or adjusted hours, so please check the calendar posted on the front door or call for more detailed information at 702-799-8181.

Thank you for your continued support!

Belinda Schauer, Principal

Constantine Christopulos, Assistant Principal

## Marion Earl ES Makes the News! Congratulations Holley Esposito!

Seven outstanding educators, selected by members of the Board of Trustees, are being honored as “All-Star Teachers” who “hit it out of the park” in terms of their teaching skills. Each of the seven teachers will be highlighted on CCSD.net this week — during Teacher Appreciation Week — and will receive free tickets to Las Vegas 51s games, plus 50 full-color specially-designed “baseball cards” that they can hand out to their students, families and friends.

Congratulations to All-Star Teacher Holley Esposito, nominated by Trustee Carolyn Edwards.

Holley Esposito is a library media specialist at Marion Earl Elementary School. She has been with CCSD for 17 years. Originally from the Big Sky Country of Montana, Holley enjoys winter activities and family time. At her school, Holley heads up the Broadcast Club, Nevada Reading Week, the Mammoth Penny Drive to promote Tule Springs, the school-wide Mighty Word Wall, Google training for teachers and much more. Principal Belinda Schauer said, “Holley is our go-to for anything requiring an intellectual and detailed response.” Schauer added, “She is diplomatic, dependable, responsible, kind, professional and smart.”
