April 2016 News

A Message from Administration

Dear Parents/Guardians,

As we enter April, it's time to reflect upon our goals. This month students will reflect upon their beginning of the year goals and create new goals to achieve for the conclusion of the school year. We are so proud of our teachers and students in taking time to set these. Some of these goals will include: to increase reading levels, oral reading fluency rates, math computation skills, and the proper use of writing conventions. What goals can you set with your children at home? Perhaps setting goals in the amount of time reading?

Please Notice This

Testing time is officially here! In grades 3-5, students will participate in the Smarter Balanced Summative Assessment. This assessment will measure proficiency in reading, writing, and mathematics. Students in grade five will also take the state science assessment. This will measure proficiency in elementary science skills.

Please ensure your child is in attendance during testing. Attendance counts in High Stakes testing. We want to ensure that all of our students have the opportunity to shine!

As the year slowly concludes, we want to ensure that all students stay on their best behavior. Together we can work as a team to model appropriate behavior for our children. Encourage your children to use manners and speak in complete sentences. Set expectations for your children at home and what you expect from them while at school. In working together, we know that our students will meet any goal placed in front of them.

We also would like to remind parents...

- We cannot take messages for students over the phone.
- Whenever you come onto campus, you must have a photo ID.
- Students MUST be in dress code (SSA, visit our website for more information)
- Attendance matters! Please continue to send your children to school daily and on time.

Thank you for your continued support! As a team, we can work together and ensure our students succeed!

Belinda Schauer, Principal

Constantine Christopulos, Assistant Principal

School Lunch

Please remember...

You can pay for your child's lunch online.

www.myschoolbucks.com

School Play

Please save the date for our school play! Our students will perform Cinderella on May 18 and May 19, 2016. Tickets will be on sale May 11, 2016.
