A Message from Administration

Dear Parents/Guardians,

Happy November, Marion Earl Eagles! It has been a very exciting month here at Marion Earl Elementary School. Students/families worked very hard to raise money for our Popcorn Fundraiser. Our students/families also had a great time at our annual Fall Festival. It was nice to see all of our students in their costumes having a great time with their families and friends.

Our teachers have worked really hard to identify where students are performing academically. They use this information to create customized instruction for their students. It is important that each student understands where he/she is performing. The only way we can achieve academically is if we have a clear roadmap to success. We must know where we stand and where we need to go. Please question your child about what he/she is learning in school. Some questions could include: What was the best thing that happened at school? Tell me something new that you learned in (pick a subject area). How did someone help you today? What do you need to learn more about in school? In what have you become an expert? What can I help you with to become a better student?

Remember to express your gratitude for our month of thankfulness! Have a safe November! #GratitudeAttitude

CONGRATS ON BEING KIND

Congrats to all students caught BEING KIND this year! You touch our hearts with your helping and cheerful attitudes. Keep making good choices and help others make good choices. Both Mrs. Schauer and Mr. Christopulos want to see how many children give compliments to each other and use manners this month!

BE KIND
be thoughtful
be genuine
but most of all
BE THANKFUL

As always: Be Kind, Work Hard, and Strive for Success!

Belinda Schauer, Principal

Constantine Christopulos, Assistant Principal
