A Message from Administration

Dear Parents/Guardians,

Welcome to Marion Earl Elementary School where our motto is **...begins with ME!** As you know, we are a three star school, but only 4.6 points away from a four-star status. We lost 4 points on the framework due to our attendance rating of a 95.7% – to get these points back, we must have a minimum of 98% attendance rate in the first 100 days of school! We are SO close! Please bring your child to school on time and ready to learn. What else can you do to help us to reach our student success goals? Each day, your child should be reading. While you drive in the car, ask your child to read aloud all signs, billboards, or even a passage from a book or magazine. This is a great way to practice reading skills. After your child reads, then ask him/her to explain, describe, retell, analyze, or compare parts of the story. Talk about the characters, the vocabulary, and/or the setting. Primarily, increasing your child's vocabulary is the best way to assure success. Learning is fun, and confidence is forever!

So many fun activities are going on at Marion Earl ES. Please encourage your child to get involved in school. We have JAWS every morning for those students who like to exercise, come support the Mighty Earl Eagles Football Team on Saturdays, become an inducted member of the National Elementary Honor Society, be a fabulous fifth-grade lunch helper, join our Good News Club, join our Pokemon Club, or be a gardener in the Garden of Earl.

Please make sure to check your child's academic progress through Infinite Campus. This online service has your child's up-to-date progress and attendance, and if you have the mobile app, then you will get real time notifications.

When a bus is late, our office personnel are busy calling transportation to get rides home for the bus riders. We will put out a Parent Link message if the busses are running later than usual. These situations don't happen often, but we appreciate your understanding and patience when they do.

This month, we expect to see everyone at the **Fall Festival on Friday, October 23** (5:30 – 7:30 p.m.). Wear your Halloween costume, visit the teachers' fun booths, see a magic show, and walk the cake walk. All proceeds go to help our classrooms!

For all emergency situations, we rely on your contact number being up-to-date.

Thank you for your continued support!

Belinda Schauer, Principal

Constantine Christopulos, Assistant Principal
