A Message from Administration

Dear Parents/Guardians,

It has been such an amazing year! The students, staff, and parents at Marion Earl ES continue to impress us with their focus and drive towards continued excellence.

As we move towards the end of the school year, we want to encourage all students to continue to work and learn, not just through May 24, but throughout the summer as well. Please continue to read with your child on a daily basis. Encourage him/her to practice math facts and to write stories or keep a journal. Many of the computer programs provided by the school are available over the summer, so please continue to provide internet access, if available. Links to various educational websites are available on Marion Earl ES's homepage. We also encourage families to visit the public library! It is so important to get your child his/her own free library card.

As end-of-the-year approaches, please remember to register your child for the 2018-2019 school year via the Parent Portal on Infinite Campus. In order to have a class assignment, your child must be registered.

In addition, to ensure the viewing abilities of all guests, we have made the promotion activities "balloon free" events. Balloons restrict others' ability to easily view the activities, reduces seating space and creates a fire hazard if they reach the ceiling and block the sensors. Thank you for respecting all of our students and their guests on these special days.

Report cards will be sent home on the last day of school. If your student will not be in attendance on May 24, please provide a self-addressed, stamped envelope to the front office so that we are able to mail your child's final report card. Report cards will not be distributed to students who have a balance due to the library or who have over due books.

Please have your child check the **LOST AND FOUND** areas for any forgotten coats, clothing, house keys, eye glasses, musical recorders, etc. The main office has almost twenty pair of eye glasses in the Lost and Found drawer! In order to return these items, please be able to show proof of ownership. The lost clothing area is located in the cafeteria; all other items are kept in the main office. Items not claimed by last day of school will be donated to charity.

The front office of Marion Earl ES will have adjusted summer hours. Please check the calendar posted on the front door or call for more detailed information at 702-799-8181.

Thank you for your continued support!

Belinda Schauer, Principal

Constantine Christopulos, Assistant Principal

CCSD Summer Learning Guides

The Clark County School District provides parents and guardians with "Fun Summer Learning Activities," resources that will help students continue the learning process during the summer in fun and interesting ways.

Families with students enrolled in grades K-12 are encouraged to access these online activities geared toward the students' most recent grade level in school. The materials provide a variety of grade-appropriate activities, especially in math and reading, for parents and guardians to share with their children during summer vacation.

The link below provides activities for every grade level.
