A Message from Administration

Dear Parents/Guardians,

Testing time is officially here! In grades 3-5, students will participate in the Smarter Balanced Summative Assessment. This assessment will measure proficiency in reading, writing, and mathematics.

Please ensure your child is in attendance during testing. Attendance counts in High Stakes testing. We want to ensure that all of our students have the opportunity to shine!

As the year slowly concludes, we want to ensure that all students stay on their best behavior. Together we can work as a team to model appropriate behavior for our children. Encourage your children to use manners and speak in complete sentences. Set expectations for your children at home and what you expect from them while at school. In working together, we know that our students will meet any goal placed in front of them.

We also would like to remind parents...

- We cannot take messages for students over the phone.
- Whenever you check onto campus, you must have a photo ID.
- Students MUST be in dress code (SSA). Visit our website for more information.
- Attendance matters! Please continue to send your children to school daily and on time.

Thank you for your continued support!

As a team, we can work together and ensure our students succeed!

Marion Earl Elementary School has a Family Aide position open! If you meet the requirements, please call us immediately!

Requirements are on this website:
