A Message from Administration

Hello Marion Earl Eagles!

It has been a very exciting month here at Marion Earl Elementary School. Students/families worked so hard to raise money for our Apex Fun Run Fundraiser. If you have not submitted your money yet, please do so ASAP. Money is still being counted and we will report what was earned in our next newsletter. Our students/families also had a great time at our annual Fall Festival. It was nice to see all of our students in their costumes having a great time with their families and friends.

Our teachers have worked really hard to identify where our students are performing academically. They use this information to create customized instruction for our students. It is important that each student understands where he/she is performing. The only way we can achieve academically is if we have a clear roadmap to success. We must know where we stand, and where we need to go. Please question your child about what he/she is learning in school. Some questions could include: What was the best thing that happened at school? Tell me something new that you learned in (pick a subject area). How did someone help you today? What do you need to learn more about in school? What have you become an expert at? What can I help you with to become a better student?

We would like to thank our parents for being involved in our PTA and involved within our school community. We commend you for continuing to bridge the connection between school and home with your attendance to all of the wonderful family gatherings and our PTA meetings.

As always, Be Kind, Work Hard, and Strive for Success!

Thank you for your continued support!

Belinda Schauer, Principal

Constantine Christopoulos, Assistant Principal

Take a minute to think ...

What am I thankful for?
